

TRANSFORMING OUR SCHOOLS

**CREATING PATHWAYS
TOWARD RACIAL JUSTICE
FOR OUR STUDENTS**

Join OEA for a transformative circle consisting of organizations representing Oregon's communities of color, educators, state level education partners, higher education advocates, parents, legislators, students and social justice groups for a very special convening centered on transformation, featuring students' projects that highlight contributions to our schools and their cultural voices.

**WHAT IS THE VISION, FROM THE
PERSPECTIVE OF OUR OWN RACIALLY
DIVERSE FAMILIES, STUDENTS AND
COMMUNITIES, OF WHAT OREGON
SCHOOLS COULD BE?**

Spend the morning listening to our communities about their outreach efforts and hear what their vision for Oregon schools looks like.

Spend the afternoon in circle conversations focusing on what our collective vision and work includes:

- Diversifying the educator force in Oregon
- Restorative discipline in Oregon schools
- Family-school partnerships
- Culturally proficient teaching and curriculum

End the day with a collective capstone, where we can explore next steps for transforming Oregon schools together.
