OUR ORGANIZATION

The Oregon Education Association-Retired (OEA-Retired) is the NEA affiliate for retired OEA members. OEA-Retired provides OEA retirees an opportunity to collectively work toward preserving PERS benefits, enhancing health care, assuring the strength of public education, and providing social activities to our members. OEA-Retired works with other senior organizations to deal with retirement issues in common, while providing social activities and support for issues unique to retired educators.

We're the organization that continues to fight for your rights. We can do more together than any of us can do alone. Watch this page for updates on retired issues and OEA-Retired news, including:
