LODGING: Members are responsible for making their own lodging reservations and finding their own roommate. Below is additional information on which hotels OEA has set up a block of rooms for members at an OEA negotiated rate. When you make your reservations, please make sure to mention OEA and/or Summer Conference.

OEA lodging reimbursement is based on one-half of the member's actual expenses incurred for a double occupancy room, up to one-half of the OEA negotiated rate for the hotel selected. An expense voucher will be provided at the registration table to complete for reimbursement. Below are the mileage requirements for lodging per OEA policy:

- Participants travelling 50 miles or more (one way) will be reimbursed for two nights lodging cost.
- Participants travelling 200 miles or more (one way) will be reimbursed for three nights actual lodging cost.

If you need help finding a roommate, please contact your Local President.
