

## Building the New Educator\* Tool Belt

### A WORKSHOP SERIES

**\*Yes, you! If you work with students in any capacity,  
you ARE an educator!**

## Hey New Educators\*! Fill your pockets with tools for the new year.

Join early career Oregon educators in lively collaboration each month to explore the most timely and important issues facing you and our students. You'll have a chance to work with other OEA members and union leaders in k-12, higher education, and support positions; broaden your skills and understanding on a variety of hot topics and challenges to help your students thrive, and find the support you need to succeed as an early career educator.

### The Details

Join OEA for monthly online workshops through the 2021-22 school year. All workshops begin at 4:30 p.m. Sign up today!
